

RENAULT TRUCKS SERVICE CONTRACTS

INCREASE YOUR PROFITABILITY AND PEACE OF MIND

A Renault Trucks Start & Drive service contract is fully compliant and protects your O-Licence and OCRS score, and gives you easy and convenient truck ownership for a fixed fee broken down into equal fixed monthly payments. Our Start & Drive range is tailored to reduce administration and meet your business needs, ensuring that your vehicle is optimally maintained and your ownership costs are predictable.

Choosing a Renault Trucks service contract can also extend the life of your truck and protect you against unexpected repair and maintenance costs. Your vehicle is inspected and maintained by skilled Renault Trucks technicians using only Renault Trucks Genuine parts, for total peace of mind.

Select from: Excellence, Performance, Performance Maxi, Reference and Secure (Standard and Maxi).

Excellence

Our most extensive service contract, providing full Repair & Maintenance using only Renault Trucks Genuine parts for total peace of mind, with pre-planned scheduling to suit your operation for maximum uptime, optimum vehicle performance.

- Full Repair & Maintenance cover
- Plan inspections in advance
- Regular maintenance check ups
- All repairs covered, driveline, chassis and cab, including all wear parts.

Performance MAXI

An extended version of our Performance contract with repairs to chassis and cab also included, so everything except wearing parts is covered.

Performance

Preventive and driveline maintenance with regularly scheduled inspections, covering you from unforeseen and costly repairs, keeping your vehicle running at its best.

- Plan inspections in advance
- Regular maintenance check ups
- Repairs to driveline

Reference

Preventive maintenance to help you stay safe and compliant, and keep your vehicle running to optimum standards.

- Preventive maintenance
- Regular inspections, identify problems before they occur

Secure Maxi

An extended version of our Secure Standard contract, providing repair coverage for the entire vehicle excluding wear and tear.

Secure Standard

Repair coverage for driveline only: increased protection with one Renault Trucks inspection per year, ideal for operators who control their own maintenance.

- Annual safety checks
- Roadside assistance for any warrantable failures
- Extended warranty period

Contact your local dealer to find out more and select the best service contract for your business.
